The mark

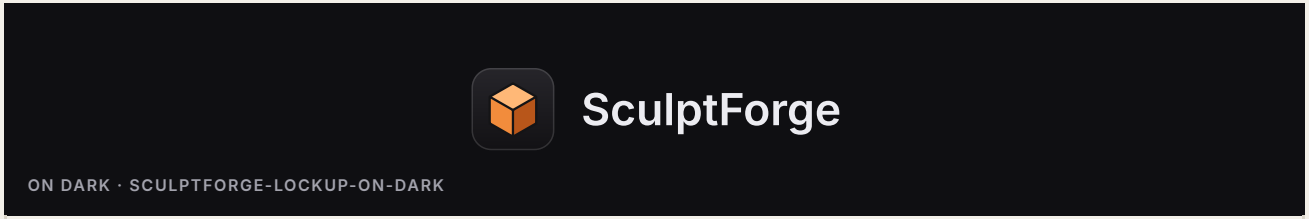

CLEAR SPACE ¼ TILE

An orange cube on a dark tile is the logo and the app icon. Keep a quarter of the tile free on every side. Smallest: 16 px with the small cut (*sculptforge-icon-small.svg*), 28 px in a lockup.

Lockups

USE AS SUPPLIED

ON DARK · SCULPTFORGE-LOCKUP-ON-DARK

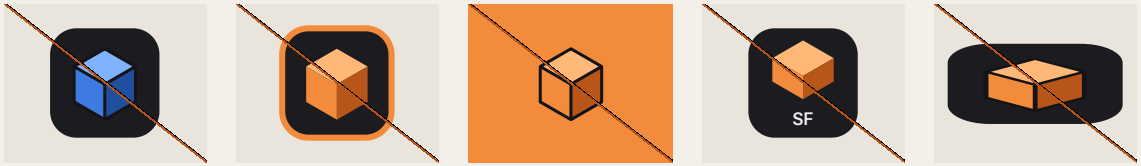

ON LIGHT · SCULPTFORGE-LOCKUP-ON-LIGHT

The wordmark is Inter SemiBold, outlined in the files. It sits beside the tile, never under it, and the lockup scales as one piece. On footage, use the dark lockup over the darker part of the frame.

Please don't

FIVE COMMON SLIPS

Recolour the faces
The cube is always orange.

Outline the tile
No strokes, glows or shadows added.

Put it on orange
Keep it on a dark or light ground, on its tile.

Set text in the tile
The name goes beside it.

Stretch or skew
Scale it evenly, or not at all.
